How do I make a Playlist?

Here are a few ways to get you started with making Playlists:

From the video watch page:

1. Click the **Add to** button under the video you're watching.
2. From the drop down menu, type in the name of your new playlist and click the **Create playlist**button.
3. You can choose if you want your playlist to be public (viewable by others) or private (only viewable by you).

From Video Manager:

1. Sign into your account and click on your username in the upper right corner of your screen. Click on **Video Manager** in the expanded menu.
2. Click on the **Playlists** tab on the left side of the screen.
3. Click the **+New Playlist** button and enter in a Playlist title and description.
4. Click **Create Playlist**.

Adding to an existing playlist:

1. Click the arrow next to the **Add to** button under the video you're watching.
2. From the drop down menu, select the Playlist you want to add your video to.
3.

How do I organize the videos in my playlist?
