

# **School District of Black River Falls**

## **Information Technology and Communication Resources Acceptable Use Agreement (Student - Red Creek - 2nd & 3rd)**

Parents and Students: Please read together, sign and return the last page of the document to the school.

### Statement of Purpose:

The Black River Falls School District believes that all students should have access to technology when they act in a responsible, efficient, courteous and legal manner. Internet access and other online services, available to students and teachers, offer a multitude of global resources. Using District technology gives our students the chance to develop the resource sharing, innovation, and communication skills which will be essential to life and work in the 21<sup>st</sup> century.

All school Internet use is filtered. Internet use is monitored through network software and teacher supervision.

### Terms of Agreement :

Using school technology correctly and responsibly is very important. Technology used may include, but is not limited to, the following devices: tablets, iPads, laptops, computers, and chromebooks.

I promise to follow these rules:

1. Use all computer equipment carefully, to not pick off keys or damage the devices in any other way.
2. Only work on the programs and web pages that my teacher tells me to use.
3. Always ask for help if I don't know what to do.
4. Tell an adult if I read or see something on the device that is not appropriate.
5. Never to use the device to hurt, frighten or bully others.
6. To print only when my teacher tells me to.
7. To only use my own Google account for files.
8. To not share Google docs or folders unless directed by my teacher.
9. To only share my passwords with my teacher or parent.
10. To use the devices for schoolwork only.
11. To obey copyright laws.
12. Not to view, send or display inappropriate messages or pictures.

I know that anything I do on the computer may be seen by someone else.

I understand that if I break any of my promises, I might not be able to use any of the technology.
